LB 587, 397, 304

it on there because I support the idea. After learning that this was a worthless and useless operation to require that all corporations register yearly and it made a load on the Secretary of State's Office which seemed to accomplish nothing which Senator Schmit and others have said, all I will say I think it has all been said. I urge you to support LB 587.

SPEAKER NICHOL: Senator Lamb.

SENATOR LAMB: Just briefly, Mr. President, if any of you have any lingering doubts about this bill, I suggest that you go over before Final Reading, you go over and talk to the Secretary of State, and he will do the best job of anybody of convincing you why this bill should be passed.

SPEAKER NICHOL: Senator Schmit, did you wish to speak again on this? Okay. The question is the advancement of LB 587. All those in favor...did you want a machine vote, Senator Newell? All those in favor vote aye, opposed nay, on the advancement of the bill. Have you all voted that care to? Record, Mr. Clerk.

CLERK: 26 ayes, 1 nay, Mr. President.

SPEAKER NICHOL: LB 587 advances. We will move on to LB 397.

CLERK: I have E & R to 397, Mr. President.

SPEAKER NICHOL: Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. President, I move we adopt the E & R amendments to 397.

SPEAKER NICHOL: All those in favor signify by saying aye, opposed nay. They are adopted.

CLERK: I have nothing further on the bill.

SPEAKER NICHOL: Senator Schmit...oh, Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. President, I move we advance LB 397.

SPEAKER NICHOL: Any discussion? The question is the advancement of LB 397. In favor vote aye, opposed nay. You may say aye, good, thank you. Opposed nay. It is advanced. We will move on to priority bills, LB 505. I guess we did that yesterday. We will go on to 304 then.
